

Art Academy Safety Center

Welcome to the **Art Academy Safety Center**, a central communications point providing current information regarding campus safety issues and policies. On a daily basis we make the personal safety and security of all students, faculty, staff and visitors a top priority by providing:

- 24/7 private security
- Card access for admittance to facilities
- A well lit campus
- Emergency phones in hallways
- Security escort service 24/7
- Crime prevention workshops
- Cameras throughout the campus

We cannot, however, do the job alone. Every member of the Art Academy community should safeguard their personal safety. Here are some important actions that you can take:

- Be aware of your surroundings
- Lock your room door
- Do not leave valuables unattended
- Secure electronics, art supplies, and books
- “Put Your Junk in the Trunk”
- Use the escort service
- See it, hear it, report it to Security at 562-6279
- Do not abuse drugs or alcohol
- Use common sense

Fire Safety Report

Fire Safety Systems

The Art Academy maintains a Freshman Residence Hall at 5 W 12th St. The fire detection, warning and suppression system is composed of a “Full” sprinkler system (sprinkler heads in common areas and individual rooms), risers in hallways for fire hose connects, stand-alone smoke detectors in individual rooms, fire extinguishers in common areas, manual pull stations in common areas, fire doors in common areas and room entries, fire walls (1 hour ceiling/floor, 2 hour stairway) and audible alarm horns in common areas. This system is electronically monitored off-site by Honeywell, is a licensed security service authorized on our behalf to notify the Cincinnati Fire Department.

Residence Hall Fire Drill

One fire drill is held in the Fall Semester. This drill is a mandatory supervised evacuation of the building for a fire, scheduled with and monitored by the Cincinnati Fire Department. The Director of Facilities and Security schedules this unannounced fire drill and is assisted in its implementation by the Director of Student Services and the Resident Advisors. Students who fail to leave the building during this drill will face Disciplinary Action.

Fire Safety Education

Fire safety is discussed during Orientation in the Fall Semester. Evacuation route maps, outside assembly areas and tips on how to proceed during an evacuation are all topics of importance. In addition, this same information is posted on the inside of the entry door to each room. Also posted are school policies prohibiting smoking, open flames (candles) and portable electrical cooking and heating appliances in the residence hall, policies also noted in the School Handbook. Signs are posted at each entry door to the residence hall prohibiting SMOKING in the building. Compliance with these policies is also checked during inspections of the residence hall by the Director of Student Services, Vice-President of Enrollment Management, and the Director of Facilities and Security. These inspections take place several times each semester. The Art Academy has been in touch with the Education and Fire Safety Team of the Cincinnati Fire Department (Bobby Smith 513-678-1998) and we hope to have them on board in the future.

Evacuation Procedures

Evacuation procedures are posted on the inside of the entry door to each room. All residents should make careful note of this information, familiarizing themselves with all exits, (front stairs, back stairs, and fire escape), their nearest egress (exit), and the outside assembly area. If an alarm is activated, they should proceed immediately by following these safety tips:

Feel the door handle.

- If door handle is hot, don't open it.
- Use fire escape
- Go to a window and call for help.
- If the handle is not hot, open cautiously.
- Check for smoke or fire before going out.

Get out of the building before phoning for help

- Don't take time to phone before leaving
- Get out and find a phone. (Use an E- phone.)

Pull Fire alarm on the way out.

- Don't look for other people or gather any of your stuff.
- Knock on the doors as you leave.
- Yell "FIRE" as you leave.
- Don't hesitate or stray from your path as you leave.

Crawl low to the floor.

- Thick smoke can make it impossible to see.
- Toxic chemicals from smoke can be deadly in minutes.
- Less smoke and poisonous gases close to the floor

Close the door behind you.

- Doors are fire rated to keep fire from spreading.
- This may protect your possessions from fire and smoke damage.

Trapped, get someone's attention.

- Yell and scream.
- Hang a sheet from the window

Once outside, stay outside.

- You may be suffering from lack of oxygen.
- Effects include: decreased stamina and lack of coordination, impaired judgment, mental failure, fainting, unconsciousness, nausea, coma, and death.
- Another hazard is toxic gases. Carbon Monoxide is a by-product of fire. This gas can cause unconsciousness and death due to exposure.
- Fire can be fatal or cause debilitating burns.
- The structural integrity of the building can be affected during a fire. Ceiling and walls may collapse.

Reporting a Fire

The Art Academy is required to annually disclose statistical data on all fires that occur in our residence hall. Listed below are the numbers to call to report fires that have already been extinguished and if you are uncertain whether they have been reported or not. Please provide LOCATION/ DATE AND TIME/ and NATURE OF THE FIRE.

Vice-President of Enrollment Management (513) 562-8744
Director of Facilities and Security (513) 562-8769
Director of Student Services (513) 562-8766

Fire Log

A Fire Log is maintained in the Office of Facilities and Security and records all reported fires, including arson, in the Residence Hall. The log details the date/time, location, and nature of all

fires reported. This log is available for inspection during regular business hours by students, staff, and general public. For fire statistics see: [Fire and Crime Statistics Table](#)

Timely Warnings

In the event that a situation arises in our school building, adjacent housing facility, or in the surrounding neighborhood that, in the judgment of the Safety Committee, constitutes an ongoing or continuing threat, a “Timely Warning” will be issued. The warning will be issued through the school e-mail system and a notice will be posted on the electronic bulletin board behind the Security Desk located at the electronically controlled, camera-monitored front entry. In addition, the posting of fliers, in-class announcements, or other appropriate means may be used.

The Safety Committee is composed of the President, Vice President of Enrollment Management, Director of Facilities and Security, Security Staff Manager, Director of Student Services, and the Academic Dean.

Annual Disclosure of Crime Statistics

The Art Academy prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Police and Crime Statistics Act. Our statistics are comprised of those reports made to our Security officers, school officials (including but not limited to the Director of Facilities and Security, Vice-President of Enrollment Management, Academic Dean, Counselor, and Director of Student Services) and the Cincinnati Police Department of criminal activity on school property and adjacent public property. The Director of Facilities and Security then compiles this information and combines it with the Fire Statistics from the Residence Hall and submits the combined contents by the 1st of October to the Department of Education, where the full text of this report can be viewed at <http://ope.ed.gov/security> or www.artacademy.edu. A hard Copy of this report may be inspected and/or acquired at the Office of Facilities and Security during regular business hours or by calling (513) 562-8769.

Daily Crime Log

The Art Academy maintains a “Daily Crime Log” for the purpose of recording criminal incidents, alleged criminal incidents and disciplinary referrals that are reported to the Art Academy Security, the Cincinnati Police Department and the Academic Dean, in order to disclose crime information to our Students, Staff, and General Public on a timelier basis than the annual statistical disclosures (see: Annual Disclosure of Crime Statistics). The log discloses the nature of the crime, case number, date/time reported, date/time occurred, general location, and the disposition of the incident (open, closed, pending, arrest, criminal referral, disciplinary referral). Classifications include but are not limited to: murder/ non-negligent and negligent manslaughter/ forcible and non-forcible sex offenses/ robbery/ aggravated and simple assault/ burglary/ larceny/ motor vehicle theft/ arson/ vandalism/ intimidation/ weapons, drugs, and alcohol violations.

The Director of Facilities and Security maintains the “Daily Crime Log”, and a hard copy ONLY, is available for inspection during regular business hours in Room S281, Facilities and Security.

Voluntary Confidential Reporting

If you are a victim of a crime and do not want to pursue action within the school system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the school can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential while taking steps to ensure the future safety of yourself and others. With such information, the school can keep an accurate record of the number of incidents involving students, determine a pattern of crime if revealed and alert the campus community to any potential danger. Reports filed in this manner are counted and disclosed in the Annual Security and Fire Safety Report for the Art Academy.

While the Art Academy encourages anyone who is a victim or witness to any crime to promptly report the incident to the police, in the case of voluntary confidential reporting, this information will not be shared with the police.

Building Security and Access

The Art Academy school building and housing facility are both open 24/7 to students and staff, except during the winter holiday break when the buildings are closed, or when limited hours are posted. Both students and staff have key card access to the facilities, while contractors, guests and visitors are electronically admitted and signed in at the security desk. All access is camera monitored, as is the perimeter of each building, including the staff parking lot. In addition, all emergency exit doors are alarmed and camera monitored. After business hours, all guests must be pre-registered.

Geography

In order to comply with the Jeanne Clery Disclosure of Campus Security Police and Crime Statistics Act, the Art Academy is required to disclose statistics for reported crimes based not only on the type of crime reported, but also on where the crime occurred. For this reason, the Geography of the institution needs to be defined, and Clery geography is comprised of three locations: On Campus, Public Property, and Non-Campus.

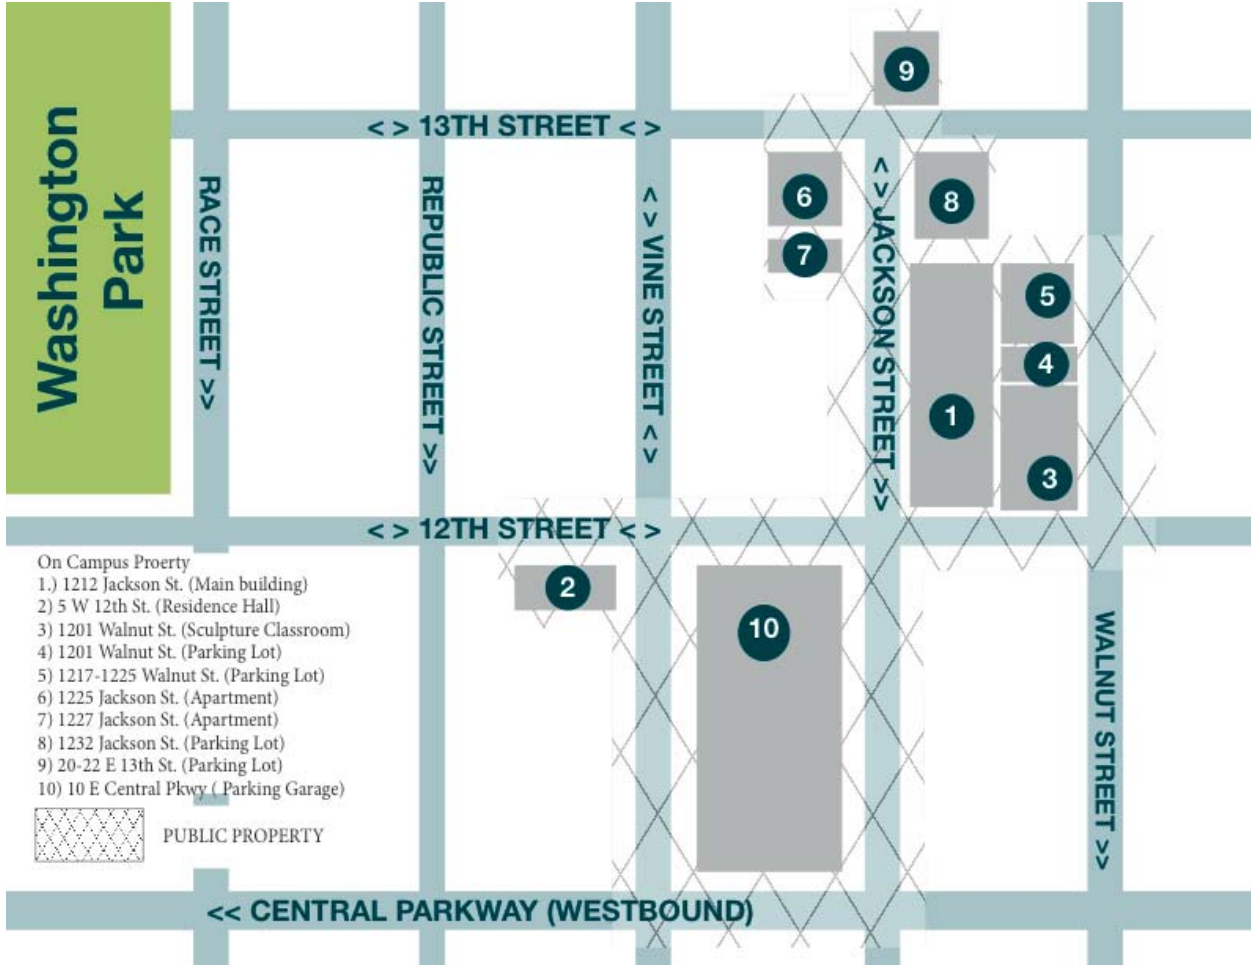

On Campus Property consists of the following:

- 1212 Jackson St. (Main Building)
- 5 W 12th St. (residence Hall)
- 1201 Walnut St. (Sculpture Classroom)
- 1201 Walnut St. (Parking Lot)
- 1217-1225 Walnut St. (Parking Lot)
- 1225 Jackson St. (Apartments)
- 1227 Jackson St. (Apartments)
- 1232 Jackson St. (Parking Lot)
- 20-22 E 13th St. (Parking Lot)
- 10 E Central Parkway (Parking Lot)

Public Property consists of segments of the following Streets:

- 12th St.
- Walnut St.
- Jackson St.
- Vine St.
- Central Parkway

The Art Academy neither owns nor controls any non-campus property.

- On Campus Property

 PUBLIC PROPERTY

Campus Law Enforcement

The Art Academy Security Officers provided by Brantley Security Services are a uniformed and unarmed authority that maintains a highly visible and vigilant presence as a proactive measure to deter potential criminal activity and other unacceptable behavior and, when necessary, provide rapid communications to the appropriate public safety agency through the local 911 call center to ensure that appropriate help has been summoned.

The Art Academy Security Officers have the authority to ask persons for identification to determine whether or not individuals have lawful business on school property. However, they **ARE NOT POLICE OFFICERS and DO NOT POSSESS ARREST AUTHORITY**. Our security department maintains a highly professional working relationship with the Cincinnati Police Department, meeting with them and other local organizations and businesses on a monthly basis (Over-the-Rhine Chamber Sector meetings) to discuss recent crime and safety statistics compiled from neighborhood reports. All crime victims and witnesses are strongly encouraged to immediately report the crime to our security officers, school officials, and the Cincinnati Police Department. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics, which will help determine where there is a pattern of crime with regard to a particular location, method or assailant and thus alert the school community to potential danger. Prompt reporting is also important in matters of public safety.

Counselors and Confidential Reporting

Counselors, when acting as such, need not be considered a campus security authority and, thus, are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of school policy however, they are encouraged if and when they deem it appropriate, to inform persons being counseled of the procedures to confidentially report crimes on a voluntary basis for inclusion into the annual crime statistics, where when done, could help reveal a crime pattern and thus alert the campus community to a potential danger.

Security Awareness and Crime Prevention

Each year, the Security Director and the Brantley Security Staff Manager inform the in-coming students and their parents of potential crime on campus and in the adjacent neighborhood. A common theme is one of awareness: that of your surroundings and that of your responsibility for your safety and the safety of others. A panel discussion follows which engages the audience in questions about crime and safety.

Throughout the year the Art Academy outlines ways to maintain personal safety, prevent theft and assist in crime prevention through posted alerts, brochures, seminars, programs, videos, and discussions. Some examples include:

- Brantley Security Escort Services, a 24/7 service, which provides escorts to and from parked cars, apartments, and the dorm. This service also reinforces the idea of walking in numbers;
- Alcohol and drug abuse film shown during orientation;
- Over-the-Rhine Chamber of Commerce Safe and Clean Program, which promotes the anonymous reporting of ongoing “Hot Spots” for crime and drug activity through the use of “Hot Spot” cards (displayed at the entrance security desk) and the “Hotline” 513-588-6909;
- Monthly Safety Sector meetings sponsored by the Over-the-Rhine Chamber of Commerce, where the police and the community come together to share and discuss safety and crime issues. The Vice President of Finance and Operations and the Facilities and Security Director attend these meetings;
- “Put Your Junk in the Trunk” program, sponsored by the Cincinnati Police Department, a program that encourages keeping your valuables out of sight. Posters are on display;
- Art Academy Self Defense Seminar taught by former policewoman Debbie Gardner, with key message, “do not allow others to invade your personal space”.
- Brochures in the Commons addressing topics of rape, sexual assault, stalking, domestic violence, drinking in college, Policy for a Drug-Free Campus, thefts from autos, and Citizens on Patrol program.
- Counselor assistance for victims with the Ohio Victims of Crime Compensation Program (financial assistance for innocent victims of violent crime)
www.ag.state.oh.us/victim/compensation;
- Resident Advisor conducts frequent meetings with housing students to provide tips on assault, robbery, theft, the neighborhood, and walking in numbers.

Criminal Activity Off Campus

The Art Academy does not use the Cincinnati Police Department to monitor off campus student organizations for criminal activity because the school does not officially recognize any such organizations.

Alcoholic Beverages and Illegal Drugs

The Art Academy is committed to maintaining a safe environment free from the effects of alcohol and drugs and controlled substance abuse. Such abuse affects behavior as well as employee and student safety. The Art Academy prohibits the possession, manufacture, distribution, dispensation or use of illegal drugs, and the unlawful use, possession or distribution of alcohol or controlled substances on all college property, at any location where employees or students are conducting college-related business or activities. The illegal use of drugs or alcohol is a violation of state and/or federal laws punishable by a fine, imprisonment, or both. Violators are also subject to school disciplinary action.

State law prohibits the sale, consumption, or possession of alcoholic beverages by persons younger than 21 years of age. At an opening or event sponsored by the Art Academy, faculty or staff may examine the student's driver's license or state ID card if there is reason to believe the student is under 21 years of age. This policy is in effect whether an Art Academy event is held on or off campus.

Further guidelines, explanations, and prohibitions concerning this topic can be found in the Employee Handbook and the Student Handbook.

Substance Abuse Education

The Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendment of 1989 require all federal contractors, federal grant recipients, and recipients of any federal funds whatsoever to implement a comprehensive substance and alcohol use and abuse policy. The Art Academy of Cincinnati complies with all provisions of these Acts and has developed a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees. The program provides services related to drug use and abuse, which include informational brochures, educational videos, counseling services, referrals to outside programs, and disciplinary actions for violations. Referrals to outside programs include but are not limited to the following:

- Alcoholism Council of the Cincinnati Area 513-281-7880 (information, referral, and outpatient)
- Central Psychiatric Clinic 513-558-5804/513-558-5823
- Cincinnati Central Office of Alcoholics Anonymous (24 hour service) 513-861-9966
- CCAT: Center for Comprehensive Alcoholism Treatment (detox, inpatient) 513-381-6660
- Talbert House (outpatient, inpatient, DUI) 513-751-7747
- CCHB: Central Community Health Board (drug services intake) 513-559-2048
- Narcotics Anonymous 513-820-2947
- Family Services of Cincinnati (outpatient) 513-345-8555
- Christ Hospital Alcohol and Drug Center 513-585-8500
- Bethesda Alcohol and Drug Treatment Program 513-569-6116/513-569-6014
- University of Cincinnati Alcoholism Clinic 513-475-5300
- University of Cincinnati Psychological Services (walk-in clinic) 513-556-0648
- University of Cincinnati Drug and Poison Center 513-558-1111

A complete explanation of the school's substance abuse policy can be found in both the Student and Employee Handbooks. Detailed sections include: School Event Guidelines/Prohibited Violations of Policy/Disciplinary Actions/ Convictions/Chemical Dependencies/Health Risks/Testing/ and Confidentiality.

Sexual Assault Prevention and Response

The Art Academy of Cincinnati educates the student community about sexual assaults, date rape and stalking each year through workshops and literature offered to the entire student body. Beginning in the fall of 2011, the workshops will become mandatory during freshman orientation. One workshop, conducted by Women Helping Women (Hamilton County's only rape crisis program), details the agency's crisis intervention services which are available both free and confidential. The agency's 24-hour hotline is 513-381-5610, www.womenhelpingwomen.org

The services include:

- 24-Hour Crisis Hotline – Advocates respond to crisis calls around the clock to provide advocacy, support, safety planning and information on options and community resources.
- 24-Hour Hospital Accompaniment – Staff and volunteer advocates respond to area hospitals any time of the day or night to support sexual assault survivors.
- Court Accompaniment – Advocates accompany and support survivors in municipal, common pleas and domestic relations courts during arraignment, trials and civil protection order cases.
- Law Enforcement and Prosecutor's Office Advocacy – Women Helping Women staff members work within the city police districts, personal crimes unit and prosecutor's office to provide support to survivors at all stages of their criminal case.
- Individual Crisis Intervention – Short-term face-to-face sessions help survivors manage the immediate after-effects of abuse and provide personalized safety planning and other emergency safety assistance.
- Support Groups – These groups enable survivors to share their experiences and gain strength and confidence through the support of their peers.

Another workshop, conducted by the Cincinnati Police Department, addresses issues of personal awareness and self defense. The Police Academy self defense instructor and our Neighborhood Liaison Officers instruct on protecting your personal space and field questions from the students on this topic.

In addition, pamphlets addressing sexual offense issues and services can be found on display in the student Mailroom/Commons and in the Counselor's Office.

In the event that you are a victim of sexual assault at this institution, your first priority should be to get to a place of safety. Next, you should contact a school official (24-Hour Security Desk and/or Resident Housing Advisor) in a timely manner. They will notify our Counselor, who will contact Women Helping Women (The Art Academy of Cincinnati provides no sexual assault services), who will then assist you in your medical treatment (evidence collection and preservation, attending to injuries and testing for pregnancy and STD's) and in filing a report with Law Enforcement, which will ensure that you receive all the necessary medical treatments and tests at no expense and police assistance from a trained Personal Crimes Unit. While notifying Law Enforcement is OPTIONAL, giving the police vital information about your assault may help catch your assailant and can give you the OPTION to prosecute if you CHOOSE.

Should an investigation of such an incident result in a disciplinary referral to the Academic Dean, school policy insures that both the Accuser and the Accused have the same opportunity to have others present at the hearing. Additionally, both parties shall be informed of the outcome of any disciplinary proceeding.

If a student is criminally prosecuted for sexual assault and found guilty in a state court, they will be suspended or expelled from the Art Academy for the first offense. If, after an alleged sexual assault, the student victim wishes to change their academic and/or living situation, the Art Academy will comply with reasonable requests, which include a temporary Leave of Absence without the forfeiture of previous tuition and housing payments.

Sex Offender Registration

In accordance to the “Campus Sex Crimes Prevention Act” of 2000 which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the Art Academy of Cincinnati is providing links to the State of Ohio Sex Offender Registry and the Hamilton County Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in that state at which the person is employed, carries a vocation, or is a student. The State of Ohio is responsible for maintaining this registry. Follow the links below to access each website, then click on the sexual offender database link.

Annual Security Report Availability

The Art Academy of Cincinnati's Annual Security and Fire Safety Report includes statistics for the previous three years concerning reported crimes that occurred on campus (the academic building and housing facility) and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning Emergency Response and Evacuation, and other matters. You can obtain a copy of this report by contacting the office of the Facilities and Security Director 513-562-8769, or by accessing the school web site at www.artacademy.edu.

Emergency Response and Evacuation Procedures

Upon the notification of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus or the adjacent neighborhood, the Art Academy Safety Committee will diligently and swiftly evaluate said notification in order to verify the content and source, and upon confirmation, proceed with notifying our campus community by way of emergency alarms, 24/7 radio-equipped Security Officers and radio-equipped facility personnel, unless the notification will in the professional judgment of the Safety Committee, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. The Safety Committee is made up of the school President, Vice-President of Enrollment Management, the Academic Dean, Director of Facilities and Security, the Security Staff Manager, and the Director of Student Services

Once the initial notification of the campus community has been made, the larger community, including the appropriate public safety agencies, will be notified through the local 911 Call Center and an e-mail announcement. In addition, all activated emergency alarms are electronically monitored off-site by Sonitrol (Main Building) and Honeywell (Residence Hall), both are licensed security companies, which are authorized on our behalf to also notify the appropriate safety agency.

In anticipation of a true emergency, *emergency procedures* have been posted throughout the buildings, including inside every classroom and dorm room next to the exit doorway. These posted procedures elaborate on what to do in case of fire, illness/serious injury, power outage, tornado/severe weather, shooting, and missing persons. In addition, unannounced *emergency drills* are run and monitored yearly by the Cincinnati Fire Department and a log is kept of the dates and notations.

It is also important to note that *emergency phones* are located throughout hallways of the school building and that *emergency pull station alarms* are located throughout the hallways of the school building and housing facility.

Missing Persons

In the event that anyone is aware that an Art Academy housing resident has been missing for 24 hours (or less than 24 hours if circumstances warrant a faster implementation), they shall notify the Housing Resident Adviser and/or the 24/7 Security Desk of this situation. Upon notification, the missing student's voluntary registered confidential contact person will be notified, and if the situation is confirmed, an investigation will be initiated by way of interviews of roommates, residents, students and faculty, and if still warranted notification of the Cincinnati Police Department will be made and any collected data will be turned over at that time. Only authorized campus officials and law enforcement officers in furtherance of a missing person investigation may have access to this information. If said housing student is less than 18 years of age and not emancipated their parent or guardian will be notified.

Missing student notification procedures are posted inside each housing unit near the entrance. In addition, each housing resident is given the option of providing the school with a confidential contact person by simply filling out, signing and dating the contact form.
