

Summer Portfolio Preparation 2009

Thank you for your interest in Summer Portfolio Preparation. The following information will tell you a little more about the program.

Portfolio Preparation is designed for High School juniors, seniors and graduates who are preparing for a college level art program. The sessions will be taught by the faculty of the Art Academy of Cincinnati. In the **full-day program**, instruction will be given in advanced figure drawing, painting, mixed media, digital media, creative processes and other subjects. The sessions will also include information on portfolio development and preparation, careers in art and art history, and oral and written communication skills in the visual arts. Full-time faculty and other local artists will visit to discuss their work and to speak on special topics. Students will visit local agencies, galleries, artists' studios and the Cincinnati Art Museum. There will also be a **half-day option** focusing on advanced figure drawing.

The full day classes will meet from 9:30 am – 4:30 pm, Monday through Friday with a break for lunch. Half-day classes will meet from 9:30 am – 12:30 pm.

Two sessions will be offered:

Session 1 will meet from June 8 – 26

Session 2 will meet July 6 – 24

Fees for the full-day program are \$525 per session (or \$1000 for both sessions).

Fees for half-day \$325 per session (or \$600 for both sessions) for the half-day advanced figure drawing option. Fees do not include supplies.

Students must apply to the program. The **deadline for applying is May 22 for Session 1 and June 26 for Session 2**. See the attached sheet for more information on registration. Once a student is accepted a confirmation packet with a calendar, supply list, parking information and other materials will be sent.

Students will have an opportunity for portfolio review and critique by AAC admissions staff. Those who successfully complete either session will be awarded a certificate.

The Portfolio Prep program is designed for relatively independent young people. Students are expected to behave in a mature manner and take initiative both inside and outside of the classroom. They will also be expected to prepare work outside of class time.

If you have any further questions, please call the Community Education office at (513) 562-8748. Our office is usually open from 9:00 to 4:30, Monday through Friday.
