Awards**

CONGRATULATIONS!

Students, Parents, Educators, and Friends,

Our past, present, and future have always relied upon the ideas and innovations of our creative community. The history of the Scholastic Art & Writing Awards dates to 1923 as an opportunity for creatives to gain recognition for their accomplishments. The emerging artists and writers of today will join in company with fellow Scholastic Award recipients such as Kay Walkingstick, Sylvia Plath, Andy Warhol, and many more. This year we not only highlight the creativity in our region but encourage our youth to follow their dreams and develop the inspiring talent they have.

The Art Academy of Cincinnati is honored to bring together the young artists and writers of our region by hosting the 2024 Regional Scholastic Art & Writing Awards. Hundreds of teachers encouraged their students to submit their best work for recognition, scholarships, and opportunities to advance their artistic growth. We received over 3,000 visual art submissions and almost 1000 writing works from 7th-12th grade students. All work was juried by an experienced and diverse panel of artists, writers, educators, and community leaders.

I would like to thank all our participants, judges, volunteers, student ambassadors, and our AAC staff and faculty. Great appreciation goes out to the Office of Engagement team for their work and leadership to make this prestigious event possible. Ultimately, I'm immensely honored for our program sponsors, Summerfair Cincinnati, Carol Ann and Ralph V. Haile, Jr. Foundation, and individual support from donors their generous support.

We are proud to be the affiliate partner for our Scholastic region and congratulate all who submitted their work! We are pleased to announce this year's award recipients and recognize the future of our creative community as they go on to make our world a better place.

All Best,

**Joe Girandola,
President
Art Academy of Cincinnati**

ABOUT THE SCHOLASTIC ART & WRITING AWARDS

Since 1923, the Scholastic Art & Writing Awards have recognized the vision, ingenuity, and talent of our nation's youth, and provided opportunities for creative teens to be celebrated. Each year, increasing numbers of teens participate in the program, and become a part of our community—young artists and writers, filmmakers and photographers, poets and sculptors, video game artists and science fiction writers—along with countless educators who support and encourage the creative process. Through the Awards, teens in grades 7–12 from public, private, or home schools can apply in 29 categories of art and writing for the opportunity to earn scholarships and have their works exhibited and published.

The Scholastic Art & Writing Awards are the nation's longest-running and most prestigious scholarship and recognition initiative for creative teens. For over 100 years, the Awards have established an amazing track record for identifying the early promise of our nation's most accomplished and prolific creative leaders. Alumni include artists Andy Warhol, Philip Pearlstein, Cy Twombly, Robert Indiana, Kay WalkingStick, Mozelle Thompson, Hughie Lee-Smith, and John Baldessari; writers Sylvia Plath, Truman Capote, Bernard Malamud, Marc Brown, Myla Goldberg, and Joyce Carol Oates; photographer Richard Avedon; actors Frances Farmer, Robert Redford, Alan Arkin, Lena Dunham, and John Lithgow; fashion designer Zac Posen; and filmmakers Stan Brakhage, Ken Burns, and Richard Linklater.

The Awards foster inspiration and talent for creative teens and is the largest source of scholarships for young artists and writers. Through the Scholarship Provider Network, millions of dollars in scholarship funds are awarded to recognized seniors. For more information, visit www.artandwriting.org

ABOUT THE ALLIANCE FOR YOUNG ARTISTS & WRITERS

The Scholastic Art & Writing Awards are presented by the Alliance for Young Artists & Writers. The Alliance is a 501(c)(3) nonprofit organization whose mission is to identify students with exceptional artistic and literary talent and present their remarkable work to the world through the Scholastic Art & Writing Awards. Through the Awards, students receive opportunities for recognition, exhibition, publication, and scholarships. Students across America submitted nearly 350,000 original works this year in all 29 categories of art and writing.

The Alliance welcomes talented young people into a community of artists and introduces them to the larger world of creativity, criticism, and patronage.

SELECTION OF WORK

The Art Academy of Cincinnati is one of approximately 125 official Affiliate Partners across America. Art and writing submissions are first processed and blindly adjudicated at the regional level by Affiliate Partner organizations. Judging is guided by Scholastic Art & Writing Awards' three core principles – originality, technical skills and emergence of personal vision or voice. This year, professionals from the entire Greater Cincinnati region volunteered their time to review over 2,900 pieces of art, and more than 900 written works.

Students who receive Gold Key, Silver Key, and Honorable Mention Awards are celebrated in local exhibitions and ceremonies across the country. Gold Key works are then automatically advanced to the national level where work is considered by some of the foremost leaders in the visual and literary arts.

REGIONAL AWARDS

Gold Key

The very best works submitted to local programs. Gold Key works are automatically considered for national-level recognition

Silver Key

Stand-out works submitted to local programs that demonstrate exceptional ability.

Honorable Mention

Accomplished works submitted to local programs showing great skill and potential.

American Visions & Voices Nominees

Five works, from across all categories and grades, are selected from those earning Gold Keys as the “Best-of-Show” for each local program as nominees for the American Visions & Voices Medals.

REGIONAL WRITING AWARDS RECIPIENTS

A Note to Student Creative Writers –

Congratulations to all students who submitted work(s) to the 2024 Regional Scholastic Writing Awards! While award recipients have not been identified and announced yet due to glitches in the administrative capacities of the new portal system, throughout the run of our 2024 Regional Scholastic exhibition, the Art Academy acknowledges and celebrates all writing students. The courage to submit meaningful, researched, and/or vulnerable writing samples to be judged for a competition is worth accolades.

The Art Academy of Cincinnati wishes you all the best in your future endeavors! Don't stop creating magic with your words.

Sincerely,

A handwritten signature in black ink, reading "Linnea Fitterer". The signature is fluid and cursive, with the first name "Linnea" and last name "Fitterer" clearly distinguishable.
